Riverland Bioblitz PROGRAM

Time	Title
8:00 – 9:30 AM	Fish Survey <i>As the nets are drawn in you will uncover the fish species of Martin Bend and gain an understanding of the biology of the Wetland and the life that is supported there</i>
8:00 – 10:30 AM	Bird Survey <i>Take part in a journey through Martin Bend Wetland and watch the early birds catch the worm at one of the most active times for birds.</i>
9:30 – 10:00 AM	QuestaGame Workshop and Survey <i>Survey local wildlife in a whole new way with the QuestaGame application and participate in the launch of the Riverland BioQuest competition through a field demonstration</i>
10:00 – 11:00 AM	Macroinvertebrates Survey <i>Visit the recently filled Martin Bend Wetland and survey the aquatic insects emerging from the site</i>
10:00 – 11:00 AM	Native Vegetation and Weeds Survey <i>Take part in a native vegetation and weed survey at Martin Bend and be guided through the identification process with resources and local experts at your disposal</i>
10:30 – 12:00 PM	Bird Survey <i>Meet local bird experts and discover the birds of Martin Bend Wetlands. This workshop is for families with children from ages 7 to 15 with an interest in birds, wildlife and the outdoors</i>
11:00 – 12:00 PM	Floodplain Trees and Lignum Survey <i>Help find out when red gums and black box flower, so we can give them the water they need, when they need it!</i>
12:00 – 12:10 PM	Welcome to Country
12:10 – 12:40 PM	Official Opening <i>Join us in celebrating the incredible biodiversity in the Riverland and hear about fantastic projects from the Nature Foundation (My Healthy River Toolkit), Natural Resources South Australian Murray Darling Basin (MEGA Murray-Darling Microbat Project) and Riverland Landcare (Riverland BioQuest)</i>
12:40 – 1:30 PM	Lunch and Volunteer Recognition Day Celebrations <i>Enjoy a free lunch with your fellow citizen scientists and celebrate the efforts of our community volunteers</i>
