

Dear Parents/Caregivers,

Sports Day is fast approaching us all and there a few things we would just like to remind all parents about. Sports Day is about supporting and celebrating the achievements of the child for simply participating. The students are very encouraging and positive to not only their own House members but also towards the other teams. As parents, it is expected that you remain positive and encourage your own and other children in their events to be strong role models. Especially in the older years, there is an emphasis amongst the students on friendly competition rather than a win at all costs mentality. As well, there are specific rules for each event that staff are fully aware of and will ensure are followed to guarantee that each event is participated in fairly and with good sportspersonship.

On the day, we would very much appreciate and welcome any parent support for some events. If you are available to assist on the day in any capacity please let me know below. As well, can you please let us know about your preferences regarding how your child/ren get to the Berri Oval.

Yours in sport,

Luke Cotter

-----  
**PLEASE RETURN BY WEDNESDAY WEEK 7 TO CLASS TEACHER**

**Family Name:** \_\_\_\_\_

**Child/ren name/s:** \_\_\_\_\_

**Parent/Caregiver:** \_\_\_\_\_

**Signed:** \_\_\_\_\_
