

Riverland Sapsasa Swimming Carnival

18-2-19 @ Renmark Pool

2019 Results Summary & Wrap Up

**Riverland
REGION**

A competitive and educational day was had by 141 swimmers yesterday at the Renmark Pool, not to mention our fantastic teachers, parents and volunteers who did so much to organise, coach and teach the children. I'm sure all the students were thankful, whether they were just learning their stroke, breaking a PB or just enjoying the experience.

Our Lady of the River Berri took out the Appleton Shield (4x50m open mixed freestyle relay), beating out St Joseph's Renmark by 4 seconds, whilst OLOR also managed to snatch the newly minted Uzzell Shield (4x50m open mixed medley relay), finishing under a second ahead of Loxton. The Uzzell shield is in honour of the late Neil Uzzell and his wife Liz. Neil coached the Riverland Sapsasa swimming team for many years and was very passionate about technique and his calculations of timing in his head were legendary. Liz was always there helping with the results sheets, and has been a judge, selector and time keeper. Yesterday was no different as Liz was on hand to present the award.

There were also some records on the day, with 10 year old Hugh Riedel (St Joe's Renmark) breaking backstroke, butterfly and freestyle records, whilst Charlotte Wishart (OLOR) broke the 13 year old freestyle record, and Lennix Ivanovic (Renmark North) swam a very quick breaststroke to break an 8 year old record held by Alex Kudra!

Riverland coach Kerri Donaldson sat down with her helpers afterwards to pick the swimmers who will represent the Riverland in the State Championships, to be held at the Marion Aquatic Centre on Friday, March 29. The squad will be announced early next week, with the team to train with Kerri at Renmark Pool in the lead up to the event.

Riverland School Sport thanks the following people:

- Renmark High School sport coordinator Aaron Camplin and fellow teacher Mike Young, who did much of the organisation in the lead up to the event and filled crucial roles on the night.
- The other Renmark High School staff members who filled most of the other official jobs, along with timekeepers from all schools.
- Josh Vater, Justin Smith, Matt McDonald, Grant Fisher Christan Grigg & Aaron Camplin, who as sport coordinators of their schools are not only doing a great job for their students, but also helped a lot in the lead up to this event, particularly with a new convenor.
- Kerri Donaldson & Sue Lyons who acted as judges for this event, as well as for the primary school event during the day, not to mention the fact that they had just finished two days of the same as the Renmark Open took place over the weekend. Kerri was also there in between events selecting the Riverland Sapsasa team, as she is coaching that team to the state championships!
- Karley Anderson and the rest of the Renmark Swimming Club and Belgravia staff who worked so hard for both events to make sure everything was under control and organised!
- Brian Gates for coming along to present awards.
- The parents and students, whose support, organisation effort and sportsmanship was perfect.
- Riverland School Sport's sponsors, listed in the back of this wrap up.
- Anyone else I've forgotten, which is probably heaps of people!
