

# Keran's Walk for RYLEY

**(In Memory of Raamah)**

Keran Villis (who has bone cancer) will be walking 25kms from Loxton to Berri.

Sunday, Sept 8th 2019 in support of Ryley Giles.

Ryley Giles from Berri, was diagnosed with Brain Cancer at 4yrs old.

- ⇒ He's had major surgery to remove some of the tumours & a shunt put in his brain. He's had chemotherapy & radiation.
- ⇒ Due to the cancer and treatment Ryley now has hearing aids, wears glasses has acquired autism, immune deficiency and he suffers from debilitating nerve pain.
- ⇒ Ryley's is now 10 and lives with inoperable cancer throughout his brain and spine.

While Ryley is not expected to reach adulthood it would be fantastic if you could donate and help make his life a little more comfortable and enjoyable.
